

Cares Home-based Tuition

Doors to your dreams

Curriculum Offered

At Cares Home-based Tuition we offer the following curricula; British International system, American System, Kenyan System (8-4-4 and CBC), IGCSE, among others.

Quality Personalized Private Tuition

Is your child within Nairobi and its environs? At school within the same region? Then Cares Home-

based Tuition is what your need for Education success. Get in touch a.s.a.p. and grow your child's future. We have the most experienced and disciplined teachers around the region who are available 24-7 to take on your kids and help them one-on-one. Private teaching is stress free, one-on-one environment free from interruptions and unwanted noise. This boosts self- esteem and confidence among students thus becoming more creative and this greatly helps them in future.

Home schooling

With highly trained teachers with massive education in Homeschooling support, designing learning programs and blending various educational systems experience in homeschooling since 2018 Cares Home-based Tuition has consistently provided tuition for both primary and secondary education. We believe is that Homeschooling is one of the most effective ways to learn and improve grades for children who find school life more challenging. It's also cost friendly to you parents!

We have experienced and dedicated

tutors who provide one-on-one approach **Why us?**

to your child at the comfort of your homes. Our programs will not only improve your child's grades but also their holistic development with guidance and assistance to the children, no matter their weaknesses in core subjects and level of education. Main purpose is that your child gains academic excellence and holistic growth.

About Us

At Cares Home-based Tuition we brag of highly qualified and experienced teachers who have provided personalized private tuition to hundreds of children for a period of time. We have helped a wide variety of students with academic exams revision and preparation and achieved best results. We are located in Westlands, Nairobi and offer Tuition and homeschooling with Nairobi and Its environs. We have a wide variety of curricula to take care of children of all needs which include; British International systems, Kenyan system (8-4-4 & CBC), American system among others.

High Personalized LearningAt Cares Home-based Tuition we believe that every child is uniquely made and requires high personalized learning to get the best out of them. Our dedicated and qualified team of tutors makes sure all this is achieved.

Experienced Team

At Cares Home-based Tuition we brag of the best tutors around the region from renowned Universities around the region and best in Africa, also top rank in the world.

One-on-one Environment

This approach of learning gives the teacher space to understand the strength and weaknesses of the child and the tutor can get the best out of that child. Also it improves self-esteem and confidence of the child and their future brightens.

Accommodating special situations

For families who travel a lot, home schooling could be the best choice, since at Cares home-based Tuition; we can accommodate challenging work schedules. For example, military families.
